QUICK & EASY SETUP

Just give us your company logo and we'll do the initial setup for your app so it's specifically branded for you!

TWO PLATFORMS

Your app will be published to the App Store and the Play Store, so both Android & iPhone users will have access.

ACCESS TO ADMIN PANEL

You'll have instant access to our admin panel online where you can change any content in the app you'd like.

7 TYPES OF CONTENT

There are 7 main sections of the app, so you can publish different types of stories (news, surveys, photos, etc).

PERSONAL BRANDING

Through the admin panel, choose which colors work best so you can keep your brand consistent.

PUSH NOTIFICATIONS

Anytime you publish a new story, your users will be notified instantly of what's going on with your company.
