Or Give Us A Call:

(888) 682-8666

FEATURES INCLUDE:

QUICK & EASY SETUP

Just give us your logo and we'll handle the rest to make your app custom branded for your event.

SOCIAL MEDIA INTEGRATION

Conference attendees can use hash tags to pull the most relevant and up-to-date content.

MANAGE ALL EVENTS

Keep an organized list of upcoming events. Your users will always be up to date and have all the right info.

PERSONAL PROFILES

Import your existing conference attendees to give them their own personal profiles for communication.

ORGANIZE YOUR DOCUMENTS

Utilize our powerful platform to attach documents to specific meetings or places for fast access.

PUSH NOTIFICATIONS

Anytime you publish something new, your users can choose to be notified instantly of what's going on.
